

Glitter Paint Maker

For limitless creativity and a splash of glamour, use Polyvine's sparkling Glitter Paint Maker.

Add a sparkly edge to any decorative finish with this shimmering metallic glitter that's been specially developed to be added to any water-based paint or varnish.

Choose from four different colours of glitter (Gold, Silver, Pink or Rainbow), and simply mix with your choice of coloured paint or varnish to create a truly unique, sparkling decorative effect.

KEY FEATURES AND BENEFITS

- ✓ Shimmers when dry
- ✓ Fine Metallic Particles
- ✓ Superior Quality
