

Hickson Decor Wood Stain

Stain and protect your exterior wood with Hickson Decor Wood Stain for low-maintenance, long-term protection.

This product has been specially formulated as a complete finish in a single can, and its translucent semi-gloss finish enhances and protects the natural appearance of wood.

It offers loads of practical advantages over other types of exterior finishes (such as traditional paint, varnish or polyurethane). Not only that, but it also removes the need for a separate primer or undercoat.

Colours available: ebony, light oak, mahogany, pine, pitch pine, red cedar, redwood, teak & walnut.

ADDITIONAL INFORMATION

Always apply to a test area before starting work.

Stir thoroughly before and during use.

Do not apply below 5°C.

Using a brush, apply evenly with the grain in a full flowing coat (don't over-brush).

Apply three coats, allowing 24 hours between each.

Recoating will be needed every 3-8 years depending on degree of exposure.

Clean down and lightly sand.
