

# Metallic Paint

---

A luxurious finish for interior and exterior use, and available in 7 colours, this Metallic Paint offers deep and rich colours, and a sleek, shimmering finish that dries to a polished lustre, recreating the shimmering richness of classic metals. No primer or top coat needed.

Make your own shimmering pastel colour by mixing a Polyvine Acrylic Colourant into Metallic Pearl.

## ADDITIONAL INFORMATION

Always apply to a test area before starting work.

Do not apply when rain is imminent.

Timbers containing high natural oils, e.g., Teak and Iroko, may inhibit drying and cause impaired adhesion.

Wiping the surface with methylated spirit will assist penetration.

Wear a suitable face mask if dry sanding.
