SURFACECLEAN PRO

DESCRIPTION

A unique professional strength, specialised water soluble, biodegradable cleaning solution for the simple cleaning of surfaces. Disinfects and break down odours. Specifically designed for the cleaning of all surfaces. Instant Dry/Streak-Free Formula: Specially formulated to dry rapidly without leaving residue, allowing immediate surface use. Multi-Surface Compatibility: Suitable for all sealed surfaces (tiles, laminate, wood, vinyl). Advanced Fragrance Technology. Anti-Static Layer: Leaves an invisible layer to prevent dust from settling on surfaces. Fast drying. Biocide boost - the finished surface remains free from mould, algae and fungus. Inside and Outside. The product gives excellent protection from fungal degradation. Suitable as a multipurpose cleaner for both inside & outside use in residential & commercial properties. It breaks down stains and soiling. Always carry out a test on a small area first to both confirm its suitability.

Polyvine Spray Cleaner can be used for regular cleaning of surfaces
Effective and safe • Low foaming • Fresh smell • Leaves no residue

TECHNICAL DATA SHEET

APPLICATION

Polyvine Spray Cleaner can be used for regular cleaning.

Effective and safe • Low foaming • Fresh smell • Leaves no residue

The temperature must not fall below +5°C or exceed +30°C during storage and transport. Waste and emptied containers should be handled in accordance with local regulations.

PREPARATION:

Remove loose dust/grit etc. using a vacuum cleaner, scissor mop or other dry-cleaning method.

DIRECTIONS FOR USE:

Polyvine Spray Cleaner will remove the majority of stubborn stains safely from a multitude of surfaces; from terrazzo and stainless steel to carpets and upholstery (always check colour fastness).

Spray over the surface to be cleaned and wipe over to remove soiling. No need to rinse.

TECHNICAL DATA SHEET

PACKAGING

500ml, plastic containers.

STORAGE

Protect from extremes of temperature during storage and application. Store in unopened containers in a cool dry place away from direct sunlight.

Shelf Life: Many years in tightly sealed container.

HEALTH SAFETY AND THE ENVIRONMENT

- Skin Contact: Wash with plenty of water if irritation occurs. Avoid further exposure if any sensitisation symptoms develop.
- Eye Contact: Rinse immediately with water if accidental exposure happens. Seek medical attention if any discomfort or irritation continues.
- Ingestion: Rinse the mouth thoroughly with water. Give plenty of water to drink and seek prompt medical attention if feeling unwell.
- Inhalation: Move to fresh air if spray droplets cause coughing, chest tightness, or respiratory irritation.

Keep out of reach of children

DISPOSAL

Look for special facilities locally. Do not empty into drains or watercourses.
